* Prices mentioned are rough estimate of the dedicated service, you will get the exact price once we have the enough data to deep analyze the required service. We have right to deny for the service in case we suspect anything unethical, suspicious or scam.

All deals will be via contract. Trusted MM will be also involved in case you or me do not trust each other. MM fee will be paid by Buyer. Vouch Copy of services will be available for of selected members who are either from same industry or are very old and reputed/respected/staff members so they can review it, and suggest me ways to improve my services and provide me with suggestions.

All Sales are final with no refunds. Please contact me on site via PM or Convo. In case I am not available you can contact me through other methods mentioned in my thread/profile.

Please be patient with the services as I have local projects also to handle apart from online ones. ETA for the project will be provided before any deal is finalised. We are currently accepting XMR. Other crypto can be discussed via convo or pm.

Please stay out of my thread incase you want to bully or demotivate me. More T&C Apply (pm for details)

If anyone want to design a thread for me, send me a convo.
