Thread: [Python for Beginners Part 1": Your Gateway to Python Mastery](#)

**4N0NY** - October 21, 2023, 7:43 am

I am excited to introduce "Python for Beginners Part 1," an engaging eBook that serves as your stepping stone into the world of Python programming. This carefully crafted book covers fundamental Python concepts with simplicity and clarity. Looking ahead, Part 2 will delve into more advanced Python topics, building upon the solid foundation established in Part 1. Designed with beginners in mind, this eBook offers an accessible and user-friendly learning experience, making it the perfect starting point for those new to the world of programming. I would love to hear your feedback in the comments!

Can you please release the table of contents and tell us how long the overall "ebook" is? I am noticing it's only a 73 bytes filesize and worried that people may be caught off guard after paying 100 bytes for this....
