Thread: [Which Crypto News Site Do You Follow?](#)

Blockonome - October 22, 2023, 1:50 pm

Doing some research on Crypto News websites - Please let me know, which ones do you follow and which ones do you not follow and why?

This could be very interesting to hear, as I believe different sites puts a different spin on things.

Crowned - October 22, 2023, 2:01 pm

I'm more of a chart's guy. I personally dislike the news websites, as the majority of them love to put a spin on it with their own prerogative

Great site! I used to use the coin gecko app but they have failed me so much.

Yin Yang - October 22, 2023, 7:31 pm

I primarily use CoinDesk & Cointelegraph. Been around for awhile and I like them both

REKTMAS - October 22, 2023, 11:37 pm

Cointelegraph as my main source for Crypto news, other alternative are from twitter.

SIM-5344185 - October 26, 2023, 8:09 am

Main stream crypto news (CNBC, Documentaries)

Price market news (Crypto, CMC)

Crypto YT (Bitcoin Magazine, Coin Desk)

Omniscient - October 26, 2023, 5:59 pm

X.com is all I really need anymore. Lots of data there being shared as a resource hub.

Taker66 - October 27, 2023, 12:23 am

99 bitcoins has a weekly newsletter (in video form as well) on the latest mainstream happenings in crypto, rest of the website focusses a lot on bitcoin
