Thread: [START RESELLING LIFETIME YOUTUBE PREMIUM & MAKE BANDS | 0% KICK RATE](#)

Yeah, so this is basically a "reseller thread" for my original thread of sales -

<https://hackforums.net/showthread.php?tid=6254541>

Okay, so it's very easy to make money out of a literally LIFETIME YouTube Premium upgrade, you buy this for dirty cheap and can literally sell them for +20\$ each (can be friends, people you know or even a thread on forums)

Pricing would be:

10 Lifetime Keys for \$119.99 - you'd be paying for \$11.99 each - Single key costs \$14.99 - If you sold them for \$20, you'd get \$200

15 Lifetime Keys for \$164.99 - you'd be paying for \$10.99 each - Single key costs \$14.99 - If you sold them for \$20, you'd get \$300

20 Lifetime Keys for \$199.99 - you'd be paying for \$9.99 each - Single key costs \$14.99 - If you sold them for \$20, you'd get \$400

If you want more keys, please ask me and i can even do a price for less than \$6.99 each.

If you're not interested in reselling and just want a single key, head out to our original thread.

Literally if you buy 20 keys and you sell them for 20\$ each you'd get \$400 and double the price you paid for. If you don't think this is reliable you just have to search for serious buyers, it's literally a gem since youtube monthly costs about \$4.99 and this is LIFETIME.
