I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Your only buyers are accounts that have basically no post history. GLWS, but I'll wait until someone with a bit more post history purchases before considering to buy myself.

Do you sell karma itself as well [Booster Media](#) ?

I need at least 100 karma on my existing account so I can try claiming a subreddit.
