Thread: [\[600\\$/DAY\] ==> LOW EFFORT METHOD](#)

zRevE - October 28, 2023, 11:52 am

I will get straight to the point, i have found better ways to make money (steam cards and cs2), but now i will share my current method, that has zero saturation problems and a low-mid investement of 200 to 350 Dollar (dependent on the season).

I am only share this to a few people here, so be quick! PM on here or directly via my Telegram on my Profile.

There is no download. Asked to PM

You think they might be up to something malicious?

Just FYI, for anyone that did business with this person, who ever it was, hacked my account. I have it back and changed the password but most likely a nefarious individual with bad English.

This is the dick eating douche gobbler.
