Got money to invest (anything from 100\$-10k\$)

HMU with your plan, how much money does it cost, potential earnings and risk explained

Only looking to work with very trusted members of the site. If you're not vouched enough I'm not interested

I'm offering the source code for a robust Telegram bot in the marketplace. We can certainly involve a middleman for a secure transaction. With effective marketing, you could potentially earn upwards of \$3,000
