Thread: [Help with SHA1 hashes](#)

krash96 - November 7, 2023, 10:18 pm

Hey, everyone. I'm pretty new to hacking and i'm having trouble decoding these hashes. I belive they're all SHA1, but i might be wrong. Is anyone able to help?

They are not all SHA1, by the way.

Post the remaining hashes in [Hash Bounties](#) section if your willing to pay.

krash96 - November 10, 2023, 11:39 am

Thanks for the help, guys!
