Are you into cybersecurity ?

Yeah, but I'm still somewhat of a beginner.
I have solved some HTB boxes, but that's it.

Always pleasant to see people interested by cybersecurity =)

As you're talking about HTB you're more on the offensive side (red team) ? Are you studying cybersecurity ? Do you work in IT ?

As you're a beginner I wrote a thread that may interest you

I'm studying computer science with a major in cybersec.
Thank you for the guide; I'll definitely check it out.
