Thread: [intelx.io Alternative Stealer Log's Search Site URL & Mail Search](#)

kitabwaus1 - November 25, 2023, 4:28 pm

Hello my friends, I will introduce you to the wausleaks (waus.ninja) where you can make a Decoy log search, you can search according to the URL and MAIL. Our stealer log capacity is 37 Billion in url in daily uptaded In our mail service, we prefer the snusbase api. Our site is coded with PHP Codeigniter API sided python was used. It works quickly and stably.

Site Address :

Data is pulled instantly from the database and daily thief logs are added to the data. We keep our data on high-spec servers. The data works stably and quickly, user data is not kept.

Data received daily with premium membership via Redline - Meta - TxtCloud - Daisy - Freeze - Observer and many clouds are added and updated to our site during the day.

Separately, we also provide intelx.io ID search service on our site.

New link of our website: waus.me

I don't think such a thing happened. If you have evidence, you can present it.

There are currently 3600 members on my site and 1100 Premium members.

If you think something wrong has been done to you, contact me via my telegram address.
