Thread: [Largest list of OG Instagram / Twitter Usernames on site.](#)

Your Plugs Plug - November 26, 2023, 12:10 pm

Hey, I resell / sell the largest list ever to be here on HF.

I know most sellers / hoarders personally and/or don't mind me reposting their usernames as long as not on private list. Can always show proof of ownership and or use a MM at YOUR expense.

Names can range between \$50 up to \$20,000.

I can source usernames for:

TikTok

Twitter

Instagram

Telegram (Way over priced so highly unlikely to help here.)

*PROOF OF FUNDS IS NECCESARY FOR NEARLY ALL USERS. Ask for a list up to x amount, we will find you something.

Hey brother sadly, there's not any names under that price.

I can help maybe if budget increases to \$1000-1250, but the names under \$500 are limited and in my HONEST opinion may not be worth it.

If you'd like to see that list though please pm me. And if you increase your budget please let me know aswell to whatever it may be
