Thread: [IT CERTIFICATION EXAMS 50% OFF - LEGAL - NO UPFRONT PAYMENT](#)

securer - December 6, 2023, 7:49 pm

YOU ONLY PAY AFTER THE EXAM IS SUCCESSFULLY SCHEDULE.

No fancy background or sales page; I am simply selling IT certification exam vouchers for 50% off. Our company has bulk of it and will expire November 2024, I'd rather sell it than let it expire. How can you avail this offer?

1. Select your desired date and time for the exam.
2. Send me a private message with your username and password, so I can schedule the exam on your behalf.
3. Once you receive an email confirmation stating that the exam has been successfully scheduled, that's the only time you should proceed with the payment.

I am currently accepting payment in cryptocurrencies (any crypto, but prefer LTC) and Paypal friends and family option.

Currently available vouchers:

CompTIA
A+ Part 1 and 2
Network+
Security+
Project+
Pentest+
CySA+
CASP+

ISC2
SSCP
CCSP
CC

ISACA
CISM

LPI
Linux essentials

Peoplecert
ITIL version4

EC Council
CEH

More to come soon.

I ONLY HAVE [TG](#), No discord, icq or any other IMs.

Are there any reviews/vouches?

Dr_RezfanFutyulo - March 28, 2024, 12:19 pm

Hey, can you do CompTIA F+ and Network+ vouchers? I am thinking of CC too, but I am unsure if worth it if I won't pay the yearly maintenance.
Thanks

Dr_RezfanFutyulo - April 3, 2024, 3:25 pm

Yo, is this still up or done deal?
