Thread: [Buying your projects / projects ownership](#)

gangushbo - December 11, 2023, 3:46 pm

Heyo,

buying your projects / projects ownerships.

Looking for something that can make good income per month, tools, software, methods, whatever else you got

post away what you got or dm me
[contract=tid]Start Contract[/contract]

still looking

I have a MaaS to sell (malware as a service like a builder) and people pay premium to build stubbs etc

Fully Web based

All code

Malware code also builder and stub
