Thread: [I got 3 months YT premium from Discord](#)

Stoy - December 11, 2023, 3:55 pm

Just received a notification and got a 3 months YT premium code as a Nitro user.
But sadly, my YT acc is not eligible to redeem the offer, idk why
Anyone else wanna grab it?

Is it country coded ? Maybe that's why you can redeem it?

Adding on this:
It's possible it may be for users with a payment method attached to their YT/Google account.

This is generally a common condition (i.e. I got a free 1 month Midjourney Coupon), but requires a payment method to be added before it can be applied.

If nobody wants this, I'll gladly take it, shoot me a convo. :)

The code didn't work for Eran. May be the same problem as of mine. Do you wanna try it out?
