Thread: [Christmas Giveaway! Omners Award!](#)

Charlie Sheen - December 19, 2023, 5:42 pm

Welcome to my Christmas contest!

I'm hosting this on behalf of Fallen! I will be giving away an Omners award  
I have spoken to Omni and he will grant it EVEN if you already have one! so everyone is eligible!

How do I enter?

All you have to do is spread some Christmas joy, send 5 people a positive reputation, and tag them in this thread. You can make a second entry by sending 5 people 100 bytes and tagging them as well. On Christmas Day I'll ask [Proof](#) to do a roll in convos to select a winner.

Are you a regular member and unable to give positive reputation?

No problem, go to my L33t giveaway thread and if you meet requirements I'll upgrade you!! [Click here for my L33t Upgrade thread](#)

Christmas day is here and the winner will be rolled by [Proof](#) I went through and assigned everyone numbers in order that they entered. Here are the numbers. Once [Proof](#) rolls in convo, I'll post in this thread the winner and inform Omni who to send it to. Best of luck everyone!

Go to the first post, and if you follow his link you can apply to be upgraded and see if you meet the requirements. Essentially it's an award that would appear on your profile if you win, and it just helps you stand out and shows you have some clout on HF.
