Thread: [Limited Slot - C++ Private Silent Miner + Private/Unique Crypt - MSI Wrap Available](#)

ZeLizzard - December 23, 2023, 5:38 am

Will rent 5-10 subscriptions of long lasting crypt w/ custom coded native miner. Private Miner & Private/Unique Crypt - MSI Wrap for landing available.

Each Build is unique and encrypted with its own unique/private stub.

Miner and Crypt are in C++

Normal fud length is 1week+

Not looking to sell to those who throw trash at the bot

1 Single Build - \$700 - Includes 1 Unique/Private Crypt/Stub w/ Unique Miner Build

1 Month Subscription - \$2500 - Includes 4 Unique/Private Crypt/Stub w/ Unique Miner Build

Clients own file will not have an effect on others files.

For monthly packages, it is \$250/per stub after first 4.

\$250 Addon: I'll also neatly package your file alongside legitimate software in the form of a .msi file for use with your landing pages and Google Ads.

Pricing is subject to change depending on workload.
