Thread: [You Get \\$366 For Referring 2 Friends](#)

Yoko_ - December 26, 2023, 10:07 pm

Yeah you read it right. This is super worth looking into if you're in dire need of rent money or just \$366 in general. All you have to do is sign up [HERE](#), put in all your details etc (it's a safe trusted app don't worry), fund your account with a measly \$5 AND THEN INVEST IT, and then convince only 2 of your friends/family to sign up. You can withdraw your \$5 later PLUS the free 5 you get for signing up.

You can do that however you see fit, offer to watch their dog and get them a chik fil a gift card whatever. Lol but I was able to pay my rent with this it helped me live another 30 days

Note that every person who signs up with your referral also has to add at least \$5.

But yes, this does work. I do Acorns promos all the time.

Yep just make sure you guys know that but you can just withdraw the \$5 again later, or be smart and start investing, up to you

More Info ([Click to View](#))you are basically signing up for a checking account so you need to provide them with all your info including SSN

make sure you choose manual deposits when signing up otherwise they may take more money than intended

when choosing a plan, choose the "Personal" plan, the first 30 days are free you will won't be charged as long as you delete your account before the 30 days are up

you MUST put in AT LEAST \$5 to get the bytes

when It shows you signed up using my referral code I will send you the bytes

you will unfortunately need to keep the money held in for about 5-7 business days, I will let you know when you can withdraw and also tell you how to delete your account so they don't charge you

Did you fund your account yet?

I deleted them because I was trying to get a 4th person to sign up, I eventually did so I deleted the post asking people to sign up using my link. I think the offer ended because now it says get \$366 for inviting 2 people instead of \$1100 for 4.

Does this work for those who are located in EU or only in US?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
