So i had this great awesome crypter that got updated and i bought lifetime.. It made every RAT FUD.. And i want really to get a hold of him he used to send all the links to me when it got updated. But i haven't been online for a while and he hasn't send updatesd.. AND YES icve read that people suspected he infected his CRYPTER tbh i dont even care if its throug... Can someone recomend a crypter that is as good at that price at lifetime...?? Or someone know how to get ahold of download link for bits and bytes or ROYAL pm.. Will give bytes.... as thanks...

Yeah I saw that but is there anyway to get a hold of him still like the dude never scammed me... I Like that crypter... I just want the new link for it anyone know if he is at anohter forum.. And that crypter made every file I had 99/99 FUD, what crypter is good to buy know for a lifetime price thats not to EXPENSIVE
