Thread: [6000 Bytes Giveaway! \[ENDS ON 10 JAN\]](#)

peNchy - January 4, 2024, 12:42 pm

The Christmas shower was good to me so in the spirit of holidays I want to give some bytes back to all of ye old byte gamblers and addicts :)

5 accounts will get 1200 BYTES

Prize: 5 x 1200 BYTES

Requirements: 1. An active account which is older than 6 months

2. Byte count less than 600 at the moment of the winners draw

3. Write a post containing a joke or a funny story (if personal even better). You can post once every 24 hours! All subsequent posts must be also jokes and funny/interesting stuff.

Non-requirements: This is not a requirement nor it affects the contest. I would kindly appreciate some of your more private money making ideas, good niches, advice etc etc. I am lacking in that department so any help is well received. Once again, it's not a requirement, just your good will.

CONTEST WINNERS will be randomly picked by a trusting member in CONVO on January 14th (NOT ON THE 10th, I MESSED UP IN THE TITLE). All posts are to be written by 10:00 AM in Croatia (it's my contest, you do the math)

I am really excited for this, it feels awesome to hold a contest. I wish you all good luck and all the best in the upcoming New Year!!!

Trust - January 4, 2024, 1:21 pm

I will be rolling the winners. Good luck, all. Thanks [peNchy](#) for the giveaway.

Nice contest, taking my first entry. Don't really have a funny story, but I guess that is due to me getting older? Getting old sucks tbh.

Stanley - January 12, 2024, 4:37 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

peNchy - January 12, 2024, 4:37 am
