[Video: <https://www.youtube.com/watch?v=Zq1CinCjrMo>]

Little newb project is bubbling hard ngl.

It has more potential than 99.99% of the dumps all there apps are self made and self uploaded.

MINE MINE MINE.

All Bitcoin apps not 'self made' by Satoshi ARE SCAMS. Only 'self made' apps make a network strong.

Don't even get me started on Ethereum and all of the community driven projects. GIANT SCAM.
