Thread: [Karambit Autotronic FT](#)

lunaticcc - January 8, 2024, 2:12 pm

Hi there!

I want to get rid of my Karambit Autotronic FT. It is listed on buff for 6400 CNY (\$900). I the sales price to be somewhere around 91-94% of buff. Primarily intersted in BTC. Can do ETH as well.

If interested, leave a comment or send a PM with your offer.

Have an amazing day!

Hoggalove - January 8, 2024, 9:50 pm

Hey bud,

I can do ETH, at 85% lmk.

Thanks!

Thanks for your interest. I have sent you a convo.

Best regards

lunaticcc - January 13, 2024, 10:26 am

This is still for sale. Slide me a convo/pm or write here if interested!

lunaticcc - January 15, 2024, 12:03 am

Willing to let go for 88% for a quick deal. 3 guys have wasted my time.

I'll buy it for 700. Let me know if you're interested. USDT works?

End1ess - January 16, 2024, 11:20 pm

i sent you an offer in the pm. let me know
