Thread: [MW3 Grand Mastery Finished](#)

oRequiem - January 11, 2024, 12:21 pm

So I got every single Camo in MW3 which alone took a long time and I just now Finished the Grand Mastery for MW3 Weapons in Multiplayer.
It's been a grind.

You sir are the GOAT when it comes to Call of Duty. That is some insane dedication.
Congratulations bro.

That's going to be fun though, I bet you knock it out in no time. My guess is before the end of the month. Will pack a punching them effect the challenge at all?

Hard to really say how long it took honestly.

Basically I did Interstellar within a week or 2 of the game releasing. Then after that, I went for Borealis Zombies Camo then I went for Bioluminescent while doing the Grand Mastery for Multiplayer at the same time.
