Pretty shitty and rushed method to be fair. ' Ground breaking ' is bold to say.
Can tell this was just for the bytes :(

Mooooookie - April 2, 2024, 7:28 pm

What a waste of bytes. You should be ashamed for putting out this horrible guide.

Just to be clear.... OP is all a lie. None of what he said is written in the guide.

Omniscient - April 4, 2024, 9:33 am

Attachment removed and OP warned.
