Thread: [Xbox PC Game Pass \(1-month & 3-months\) + YouTube Premium \(3-months\)](#)

I have a Discord Nitro subscription and every once in a while, I get free gifts. I never have any use for these and usually just let them expire. Instead of letting them expire, I will give these away for free here!

I have these free trials to give away:

- Xbox PC Game Pass (1-month)
- Xbox PC Game Pass (3-months)
- YouTube Premium (3-months)

I will have just two requirements. This is just to minimize leechers:

1. Be a L33t/Ub3r member
2. Member of HF for at least a year

To claim these free trials, you must sign up using an account that has never subscribed to these services. You must also use a valid form of payment when signing up. You will not be charged as long as you cancel before the free trial ends.

Post below and I will DM you the code!
