Hey [Ppioa](#)

As others have stated, you must be upgraded to be able to sell here. Here's a link to the upgrade page. - <https://hackforums.net/upgrade.php>

I recommend you take a moment to read our sites [Help Docs](#) as it has a lot of useful information here about our rules and policies. <https://hackforums.net/misc.php?action=help>

If you're looking for anything particular, use our search option. - <https://hackforums.net/search.php>
