GitHub Student Developer Pack

Accounts are genuine accounts.

NO HACKED/STOLEN ACCOUNTS ARE INVOLVED IN THIS.

GitHub Student Developer Pack is a special offering from GitHub aimed at students. It provides free access to a variety of tools and services that can be useful for software development and related activities. The pack includes a collection of resources such as development tools, hosting services, and other offerings from GitHub and its partners.

Some of the benefits:

GitHub membership: Access to free and unlimited GitHub repositories.

Visual Studio Code: A free, open source code editor.

AWS Educate: Amazon Web Services training and credits.

GitKraken: Free, professional Git tools.

Twilio: Twilio API access for free credits and low-fee calls.

Price: 10\$/account

Payment methods: btc/xmr/ltc/usdt - for other payment methods just pm me

If you have any questions, do not hesitate to pm me, I will also edit the thread accordingly.

Also I am currently giving a vouch copy to a trusted member here.
