No worries, and no rush.

I wish we still had the hype from back then, but there's still plenty of people that keep me around here.

You actually just press whichever option you'd like and it automatically creates a contract with my payment address on it.

Technically [Migos](#) does have his own personal award to give out, but it's definitely not feasible to everyone that gets lifetime.

You can buy your own personal award anytime from Omni, just PM him. It'll be pricy.

Technically you can wait and every now and then Omni does a personal award upgrade at a

discounted rate you can buy.

But even all that being said they're probably about 100-200\$ each.

You can buy your own personal award anytime from Omni, just PM him. It'll be pricy.

Technically you can wait and every now and then Omni does a personal award upgrade at a discounted rate you can buy.

But even all that being said they're probably about 100-200\$ each.

Yea i saw where Omni offers that currently for a higher price lol

The reason i like Migos award is its 420 RELATED!

I'll be a slave... an advertising account boosting membership selling FOOL for that award!

I will find a way...

Yall know my 420 game is STRONGGGG lol

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
