Hello every one

I was asking, so you get achievement of 24k star for that posting, but how many posts needed for each star under your name?

Any one knows?

Hello,

If I remember well it's like :

2 stars = 250
3 stars = 1000
4 stars = 5000
5 stars = 10 000
6 stars = 20 000
7 stars = 40 000
