If you don't already have a Revolut account in the UK hit me in convo and lets get some free cash. You just have to sign up and spend a total of like £15 on the virutal card it gives you and I'll receive a cash bonus. If you don't have the funds to complete the requirements. You have to make 3 purchases that are minimum £5 each on anything except transfers and gambling payments. If you haven't got the funds available I'll send you the £15 necessary to make the payments and you can keep the £15. Help a brother out cause I'm broke :(only if you don't already have a revolut account. Takes max 10 mins

Hit me in convo or PM!

yes of course but i use revolut :) and already told every potential person to do that thing aswell. Sometimes i found it to almsot glitch a bit and they really give the people short time to complete all tasks....
