Our service provides reliable and authentic leveling in all three of the roles up to Grandmaster and Top 500. This includes tank, dps, support and even open queue. We also offer leveling fresh accounts as well as one tricking specific characters throughout competitive or quickplay games.

Prices can be negotiated and further discussed via PM.

Refunds take place if the order wasn't properly completed.

Payment Method: BTC/LTC/ETH and CashApp

Wow! Sounds like an awesome service.

Can I get an estimate of how much this may cost?
