If you're referring to receiving a vouch copy, unfortunately, you do not have enough reputation to qualify. We are specifically looking for individuals with high reputation (1,000+ rep).

Thank you for the offer.

Hey if I qualify for a vouch copy I would love to get in touch with you! Thanks!

Thank you Blora! I have received my vouch copy and have quickly looked thru it and so far it looks incredible. 60+ pages of knowledge.

Blora is absolutely professional and been wonderful thru this whole experience. I'll be back with a good review once I can fully digest this treasure trove of information that has been laid at my feet.

I'll post screenshots of my profit in a month or two as well!

GLWS get this deal while you can.

Blora and his partner truly are selling a valuable guide. I am currently in the progress of building my store and can verify that the guide they are selling is absolutely worth the price they are selling it for. I've been talking to them for a week or so now and they are providing non stop support. Tbh, just gaining these guys as a connection is worth the money!

I have no doubt we will be successful with the continued guidance from Blora and his team.

Does this method work worldwide?

Also, how much investment is required in this method.

Depends on in which niche you're creating your store around, and how much you decide to invest into ads. I'd say around \$200-\$300. I've never used more as an initial investment.

And yes, it works worldwide.

How much does this initial investment generate averagely.

After a few months, you'll probably get to the stage that I am at right now. Shouldn't take long, as it took me 2-3 months to generate a steady income of over 10K USD a month.
