(Feb 14, 2024 02:17 PM)Pochino Wrote: [\[CITE\]](#) I have got the vouch from OP real quick. I was learning with lumosity for a long time now. The costs got higher and I canceled the subscription. Then I saw this thread and thought I give sir a try. No regrets and great support :)

Thank you for the awesome service. Keep up the great work and hopefully we get more ppl with that fast and uncomplicated service! :)

I've seen it advertised before and never felt like trying it until now and can say it's worth the price of admission with these discounts. Thanks for the account upgrade, it's working exactly as intended.

Exercise memory, flexibility, and more with the world's most popular brain training program.

Train the skills that matter to you most

Memory. Processing Speed. Problem Solving. Lumosity targets these cognitive skills and more.

Scientific rigor, made fun

Lumosity takes tasks from the lab and turns them into fun games. We interpret your scores to offer actionable feedback and rich insights into your cognition.

Daily exercise for your mind

Work out with a fresh set of games each day to keep you challenged. Detailed progress tracking helps maintain your brain training habit.

Brain training tailored to you

No matter your age or skill level, Lumosity knows that all brains are different, and our program adapts to your unique strengths and weaknesses.
