Thread: [Question about American alcohol](#)

Burnzy - February 9, 2024, 6:44 pm

As Croatian (balkan) the fk you guys making your alcohol of? I started binge watching police bodycam videos and everyone above 0.5 BAC wants to fight cops or run leading to a high speed chase..

?nxy - February 9, 2024, 8:01 pm

alcohol is alcohol my dude

I'll say yes and no to that. Only because to a point, drunk is drunk. I will say though that Korean alcohol is just next level. I could just be a sucker for Soju (Korean) and Shochu (Japanese).

I dont think its related to tybe rather than the amount, also seeing some do this not mean its the normal case, despite from my opinion its haram and unprober even if not to waste your cash on thing making u fool

MarkGold - February 10, 2024, 3:39 am

alcohol is not good for the brain keep it sober
