Note: Our hosting is a privacy based hosting
We do our possible to respect maximum as possible
The privacy of our customers.
All your VPS & RDP are saved using a RAID1
(A second disk backup all your data, if the main disk melt, we have the second to backup)
Our prices are a little higher than others hosting company, but it's for quality !

DEAL ON-SITE OBVIOUSLY ACCEPTED !

I may take few hours to answer.

Hello,

I have a site that I want to host anonymously without it being possible to suspend it. I specify it's a fake site of the chartered standard, not to spam but for customers of lotto and inheritance. If you can host this kind of site without worry then please let me know so that I can take a domain offer from you.

Looking forward to hearing from you
