Thread: [Name Colors?](#)

quxar - February 10, 2024, 3:32 pm

What is the meaning behind some of the name colors? I have noticed that some of the names indicate membership to some of the groups on HF, but there seem to be exceptions. For example, I have noticed mine is yellow but I haven't joined any groups.

Cheers.

Yellow is the color for the L33t membership group. Blue is Ub3r, dark green is Vendor and others are various groups.

Here's a list of groups and their colors. - <https://hackforums.net/showgroups.php>

This list doesn't include upgraded member groups such as L33t and Ub3r, or Staff and Administrator.

Someone must of upgraded you either with bytes or \$, either way pretty nice.

Each group has their perks, keep climbing!

Blue: Ub3r

Dark Green: Vendor

I used to have UB3R a while back, but it expired, probably will buy it again next month or something.

Lmao or maybe you can wait on someone who will upgrade you for free or try out if someone host an upgrade on members contest ?
