Hello friends

So if u were obligated to choose one colour for you hair for ever, what would u choose?

For me i would choose the black or brown

What about u? What would u choose?

Definitely my natural brown. Too much gray hair now.

theebaadesst - February 12, 2024, 7:51 am

i would choose light brown

Monero-chan - February 12, 2024, 1:43 pm

I would say black, it would look the best on me

anoncrab - February 13, 2024, 12:10 am

For me I'd either choose black or brown. I can't picture myself having blonde hair or dying it a certain color...

HeutycRD - February 13, 2024, 10:03 am

dawg i would choose pink blue or purple

nah actually i would want galaxy hair like in roblox

It's auburn color, so it's not exactly yellow, but it's like yellow.

DashPHP - June 10, 2024, 2:52 am

My natural black hair is what I'd choose.

Chung - June 10, 2024, 2:55 am

Permanent blonde on me would look fire. I chose that hair colour!

TooBurnt - June 10, 2024, 5:47 am

LOL now this is a post.. I would just choose brown or black so shit looks normal for my whole life.

DashCash - June 10, 2024, 5:26 pm

Black because it just makes sense . or blonde
