Thread: [17 MINUTES OF PURE RAGE - "MW3 DEATH COMMS"](#)

oRequiem - February 16, 2024, 4:40 pm

Uploaded a new video of a ragetage of people constantly complaining about me in Modern Warfare 3.
Enjoy :)

Dude, Imfao. I love when you make these videos. You get people so pissed off at the game it's hilarious. I used to watch you on Twitch pretty often. I need to subscribe to your "I'm Live" thread so I get notifications when you're streaming again.

Best way is my twitter or turning notifications on the twitch channel. I don't bump that thread every time since it would be pretty much another daily mission to do lol.
