Hi,

i will be setting up ur Rat for free for educational purposes only.

You will provide ur own software you found and i will help you set it up over anydesk or rustdesk
Dont ask me any other questions about it since i dont know it.

i will only set this up if you have an rdp not on personal pc.

Sosa from Zelos' group?

Good srvc for the community

Correct if been doing it in the group here and there.

just wanna do it for some people on the forums too.
