(Mar 10, 2024 11:58 AM)Host Wrote: [\[CITE\]](#) This service merits a commendable rating of 7.5 out of 10. The bets posted are consistently clutch. The only downside is that you must catch them in the morning, but it is duly noted that the focus is on soccer, so you have been forewarned. I have won 9 out of 12 games. You might be wondering why not a rating of 9 stars or higher. I'm a little salty from losing that \$1,000 bet last week, but overall, this service is worth the investment. Oh, I almost forgot to mention the support. The provider responds almost instantly to address all of my inquiries. (Mar 28, 2024 12:48 PM)Trev Wrote: [\[CITE\]](#) I have been in 6 of the plays so far and I have doubled my bankroll already. Very good plays with good results. Dont hesitate to try this out! Thank you for having great communication and posting the plays early enough to get the bets made, I am definitely going to buy more time in the group!
