I started watching this earlier today on Netflix and was instantly sucked into it. I binged through the first 5 episodes. Such a great show. Alan Tudyk does an incredible job here.

Have you seen it yet? If not, I highly recommend it.

This show instantly hooked me in. I had never heard of it or seen any advertisements, but I don't watch television outside of Netflix or Max. I hope that the show stays on for years.

Dexter is an all time favorite of mine, but Resident Alien is a lot more comedy oriented. I've been meaning to show my wife Dexter.
