QOTD:

Do you name inanimate objects?

Makes me think of giving a name to my anime collection ?

I've named cars and trucks that I have owned in the past. None of my current vehicles have names, but I used to. Besides that nothing else that I could remember. I think I named my bicycle when I was growing up.

Yeah, was also going to say I've named my vehicles. Also stuffed animals.

Naming your anime collection is something I haven't heard before, lol.

Not judging, but it's kinda funny.

"Here's my anime collection, his name is Ted."

I've named my vehicles, maybe a few other things here and there too.

No, I have never had this habit but I understand that someone can be very tied to their objects ?

KellyMathers - February 25, 2024, 4:37 pm

I usually name them a brief description of what they are. Vape, screw, Scissors, Tape.

I do not name my car "lily" or name my bookshelf "bruce".

No, I sure don't. I think it stims from the fact that I hate whenever people refer to their cars as she and stuff like that.

akai64 - February 26, 2024, 1:04 am

630 - February 26, 2024, 6:00 pm
