Thread: [I need to get hack cPanel access \(with Good FEE I Will Pay\)](#)

impexpc - February 27, 2024, 1:23 pm

I am looking for an experienced hacker who can fetch me credentials of cpanel of private domain.
www . d s g e a r . pk

Can some one suggest me how much to pay for such type of job while not getting scammed ?

Use a middleman that's fairly trusted on the site would be the safest option for your deal.

Good luck buddy.

Do not trust this guy he is a time waster and will scam you
He is to stupid to know what a backend IP is ,SSH, cpan, WHM
He is a absolute neanderthal
He will just waste your time i got access it his crapy unsecured site and he dont wanna pay now
with out getting all the info from it emails etc
