This dude wanted to use a MM at first everything was fine
We were gonna use zexi well he got tired of waiting and said if you get me cpan access to this site then ill pay directly
well i did and showed him proof now he wants to see all the emails and data thats inside it first
He originally said he would pay for the login once i showed proof video proof he switched up real quick
this dude is a time waster and possible scammer if you deal with him in the future make sure to use a middle man
