Thread: [Slealer, Miner, Clipper, HVNC, Loader etc. Setup Service](#)

**Enigma\_Traf** - March 5, 2024, 3:41 am

Enigma Traf team provides additional tech services beyond Google Ads traffic

?Disclaimer? - All prices listed below are prices solely for the work itself.  
All additional costs are on you, whether it's buying a domain, paying for subscriptions, etc.

Junior Plan - 150\$ (Slealer, Miner, Clipper, HVNC, Loader) After purchase you will receive links to all currently available public and private projects (Slealer, Miner, Clipper, HVNC, Loader) known to the Enigma Traf team + you will receive links to recommended services for purchasing domains, hosting and servers, allowing you to customize everything without fear of liability. We will also advise you, bring you up to speed and provide short-term support so you can set everything up on your own.

Middle Plan - 300\$ (Slealer, Miner, Clipper, HVNC, Loader) Everything included in the Junior Plan + Providing long term support (Up to 2 weeks) + Links to sell certificates for file signatures (Cheapest on the market) + Contacts of cryptographers who actually do the work (No junk public cryptos for \$40).

Senior Plan - 700\$ (Slealer, Miner, Clipper, HVNC, Loader) All that is included in Junior Plan + Middle Plan + Buying this package, our technicians will do all the work for you, you will be provided with all the data, customized panels, servers, a very long support package (1 Month), as well as you will get discounts at the crypters and discounts on file signatures. At the end you will get a customized panel and crypto file, signed and ready for distribution.

In order to make a deal, message me on Telegram. Deals through Middleman are welcome  
?Feel free to ask questions. We will be happy to chat
