Welcome to this forum ??

You can try improving your skills in tryhackme or hack the box. There are many free machines for starting.

the same worm - March 8, 2024, 2:51 am

im also a newbie just using these forums, tryhackme,kali, learning linux and python and following along with as many videos and TUTs as I can. what I can tell you is there is a wealth of info here on HF and just online in general. cheers!

Same brother have fun

the same worm - March 8, 2024, 4:43 pm

oh and also good luck. sorry for the double post

rask4l - March 11, 2024, 3:38 pm

Same here man I just wanna learn as much as I can
