Thread: [Official HF Group - Warriors - For Sale](#)

Cap - March 15, 2024, 1:44 pm

It's with a heavy heart but the Warriors group is for sale. Had a solid run.

Base price: \$2,500

Keep Warriors brand and graphics: \$5,000

Thanks guys.

jcole - March 15, 2024, 1:59 pm

Warriors is a great group and definitely one of the elites to be remembered. Good asking base price, and look forward to seeing what someone is going to do with Warriors or something else in the future.

Good luck with sales [Cap](#) , you're a solid guy.

Komodo - March 15, 2024, 2:19 pm

Closest I've ever been with HF members has been within Warriors, sad to see it go but understandable.

Goodluck with selling this amazing group my friend.

Rionxee - March 16, 2024, 1:12 am

Definitely had a solid run, great work to everyone that made Warriors happen. Good luck with your sale, this a great group to anyone interested.

DashPHP - March 17, 2024, 11:31 am

Extremely fair pricing. Made some good friends inside of warriors.

Sad times but at least the discord remains.

It's been a great journey. Met a lot of great people in Warriors, got nothing but good things to say about the group and the people in it. Thank you Cap <3

Pentatonix - March 19, 2024, 11:59 pm

Very sad to see Warriors on the market, but I completely understand why. These are by far the best graphics on the forum. No other group even comes close. I hope this sells quickly for you.

Neal Caffrey - March 20, 2024, 10:02 pm

[SRT](#) maybe you can buy this one ?

Koyote - March 27, 2024, 6:13 am

Warriors was the first group that made me feel truly welcome, and where people talk to each other like actual people! It'll be sad to see the group go, but totally understandable. I hope you get a good payout for this, you deserve it!

account_ - March 27, 2024, 6:14 am

Good luck with the sale of the group [Cap](#) .

007 - March 28, 2024, 10:47 am

Great group, good luck with sale.

Eran - March 29, 2024, 11:19 am

I had just seen this now. I am so sad but not surprised it has come to this, nothing has been happening for a long while. Warriors was the closest I've gotten to a second family.

SIM-2501407 - April 9, 2024, 1:27 pm

Sad to see this high quality group up for sale.

While I was a part of the group, I was not able to find the time to contribute, but the group was filled with intellectual people. Loved seeing the group create a github org and members actively contributing to it. IMO, warriors graphics/branding is a 10/10, and hope whoever buys it keeps it.

Wish you the best of luck selling Cap.

Raymond Reddington - April 11, 2024, 9:19 am

Never thought I'd see this one day.

I understand you have your reasons.

Hopefully the Warriors name lives on.

Good luck with sales.

Scrubspoof - April 26, 2024, 10:40 am

I offer \$500 a month for the next 5 months.

Sky - May 20, 2024, 3:46 pm

Had no intention of posting.

But I had to say, this group was one of my favorite groups I'd been apart of in the 13 years I've been here. Met some great, knowledgeable and talented people through this group. If this were a group back in the glory days of HF, it would've still fared as one of the more elite groups to have existed on the site.

Branding kept or not, thank you for your efforts [Cap](#) and [Envy](#) and best of luck with selling the group.

Aeowulf - May 21, 2024, 10:48 am

If anyone wants to buy this group for me, I'd gladly take it.

Damn, crazy days.

Best of luck to this [Cap](#) would love to hop in just my money isn't right with my health right now. I plan on building HF's community back one day at a time :) hope you see a difference soon!

Cooligan - May 23, 2024, 3:08 am

I gotta admit, I'm really sad to see Warriors listed for sale. By far one of the best groups I joined in recent years, Warriors heavily stands out.

I'd say best of luck with sales but I don't want the group going anywhere! Lol. But alas, all great things must come to an end eventually, sadly enough.

In all reality to @whoever ends up buying this; if you do spend the \$5k to keep the branding and name, you're getting one hell of a group & group legacy along with it. You're basically buying one of the best pay-to-play groups available lol. Buy, make an announcement thread, and watch as the recruitments flood in. ?

Great job and thank you for all of your efforts [Cap](#) , [Sky](#) , and [Envy](#)

Oh and thanks again for my Spy award guys ;D - still the best HF contest I've ever won!

Tsar - June 4, 2024, 12:45 pm

I sent a PM, hopefully we can come to a deal

Zeus - June 12, 2024, 10:43 pm

I hope if someone cops this they take the warriors branding with it. Would be a shame for that brand to disappear into nothingness.

if the owner wants to do some collectibles / memorabilia on blockchain it would be so simple to mint some Warriors graphics as NFTs to be on the internet forever. I wish more people here were involved in these types of things, an NFT doesn't have to be a meme or an investment, it can have a nostalgic purpose too for immutable records onchain & IPFS.

If you have a legitimate offer then PM him. No need to try to bargain the price down publicly for you to still not buy it.

Have you gotten approval from Omni yet? Group owners have to be approved.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

You're not getting warriors for \$900 lol. You'd be lucky to get a shittier group for double that.

Kind of disrespectful offering \$900 for a group such as Warriors imo.

Cap - September 6, 2024, 8:39 pm

Warriors are here to stay. Let's get the show on the road.
