Thread: [Anyone Knows about MITM, Jackpotting, Ploutus](#)

rokerzz - March 19, 2024, 1:55 pm

Hi,

Need a Discussion on Topic of MITM< Jacpotting> Ploutus>

Anyone knows about it, ?

Is this a question about hacking tools? Of course I know MitM.

rokerzz - March 19, 2024, 2:45 pm

In the sense of MitM, have lots of Category, is it specific with jackpotting

There are two versions of Plotus. If you would like to attack ATM, you would first need to identify what kind of ATM would be the target. You could also invest money or time to obtain the malware needed to execute the attack on ATM.

Financial fraud is not allowed here. I do know MitM attacks, however.
