\$10 BTC Contest - For all members

This is my 3rd Contest on the forum. Why giving away so much crypto? I was given some crypto, and I don't use crypto.. so why not give it away? Contest is open for ALL members.

Requirements For Upgraded Members:

- Give max popularity.
- Quick love.
- Post in the thread why you deserve to win.

Requirements For Members NOT upgraded :

- Post in the thread why you deserve to win.

You may enter as many times as you please, but only one entry per PAGE.

Contest will end and winner will be chose in approx 24 hour, give or take. Good luck to all that will be participating.

IMPORTANT : Just want to be clear, if you don't fullfill the requirements, and your number is chosen, your winnings will be forfeit, and a new winner will be selected. It's sad that this even has to be said, but it was brought to my attention to keep an eye out, as not everyone is playing fair... And after checking, they were correct.

Fulfilled the requirements and posting to enter, thanks for the opportunity!

In terms of why I think I deserve to win... I don't think anyone deserves to win necessarily, as we are all just floating around on this planet making our own ways and luck in life, but I can answer as to why I'd like to win. While it isn't a huge amount of money, I appreciate it has value, and for me cryptocurrency has always been a way to stack up wealth in measurable ways that transcend the markets and the current state of things, and it represents to me a kind of hope and freedom that has

allowed me to live my life to a degree of relative happiness that led to me meeting my wife and starting our life together. I'm trying to build up enough to make it so that one day my wife doesn't need to work so hard all the time, and so we can bring her parents over to this country and see them live a happier and easier life, and every little bit contributes along the way!
