Yeah idk. When I woke up this morning this isn't what I thought I'd be seeing. Catfish will eat anything though man. and they get ridiculously big.

Not going to lie, I didn't expect to see a thread as random as this. I found it entertaining. Poor fish. RIP.

Buzzdrone - March 23, 2024, 4:06 pm

I knew the people who do ewhoring on here are in a way catfish, but I didn't realize they are also pigeon eaters.

how much you care about me?
I shall not comply.

I just missed the old days that me and my older brother got several numbers of pigeons on our family house. Nice share brother.

Thanks! A while back, people were gluing little hats on pigeons. If I happen to come across it, I'll post it as well. :)

Saw the video the other day, found it entertaining thought perhaps some others in the forums would also enjoy the levity/oddity.

Sefusefusef - March 26, 2024, 6:49 pm

wtf never seen a pigeon like that?!
