Thread: [\[No VOIP\] FoxSims.com SMS Verification! Real Numbers, Automatic and Cheap!](#)

ItsMeFox - March 23, 2024, 12:30 pm

[FoxSims.com - Verify your online accounts now!](#)

#Introduction

FoxSims provides temporary phone numbers for USA (+1) only and also long-term numbers that can be rented by the month with a renewal

with FoxSims numbers you can verify all your accounts and the services you want to sign up for with a USA phone number

With FoxSims you will get a new real number for every service and each number will be used only one time per service, so don't worry anymore about accounts compromised

FoxSims website - <https://foxsims.com/>

Pricing

We offer the one-time use number starting from \$0.44 to \$0.62 and the monthly rental at \$10.65 Monthly

The minimum deposit amount currently is \$10.

#Contact Details

Discord: itsmefox_

Telegram: ItsMeFox

#Payment methods

PayPal, Cryptocurrency

If you're using a USA phone number to create accounts on sites like Twitter and others, ensure you are also using a USA IP address.

#Refund Policy

You only pay when you receive the SMS.

Automatically full refund if you didn't receive the message

Rentals:

Full-Refund or replacement if the number is not receiving the SMS

Get the test balance by posting here and you will receive PM with instructions to claim it
